fighting Alzheimer's Disease together

A photograph showing a young woman with blonde hair tied back in a ponytail, wearing a pink long-sleeved shirt, assisting an elderly woman with white hair. The elderly woman is wearing a white cable-knit cardigan over a light-colored blouse. They are both smiling and appear to be in a home setting. The young woman is holding the elderly woman's arm, possibly helping her stand or walk.

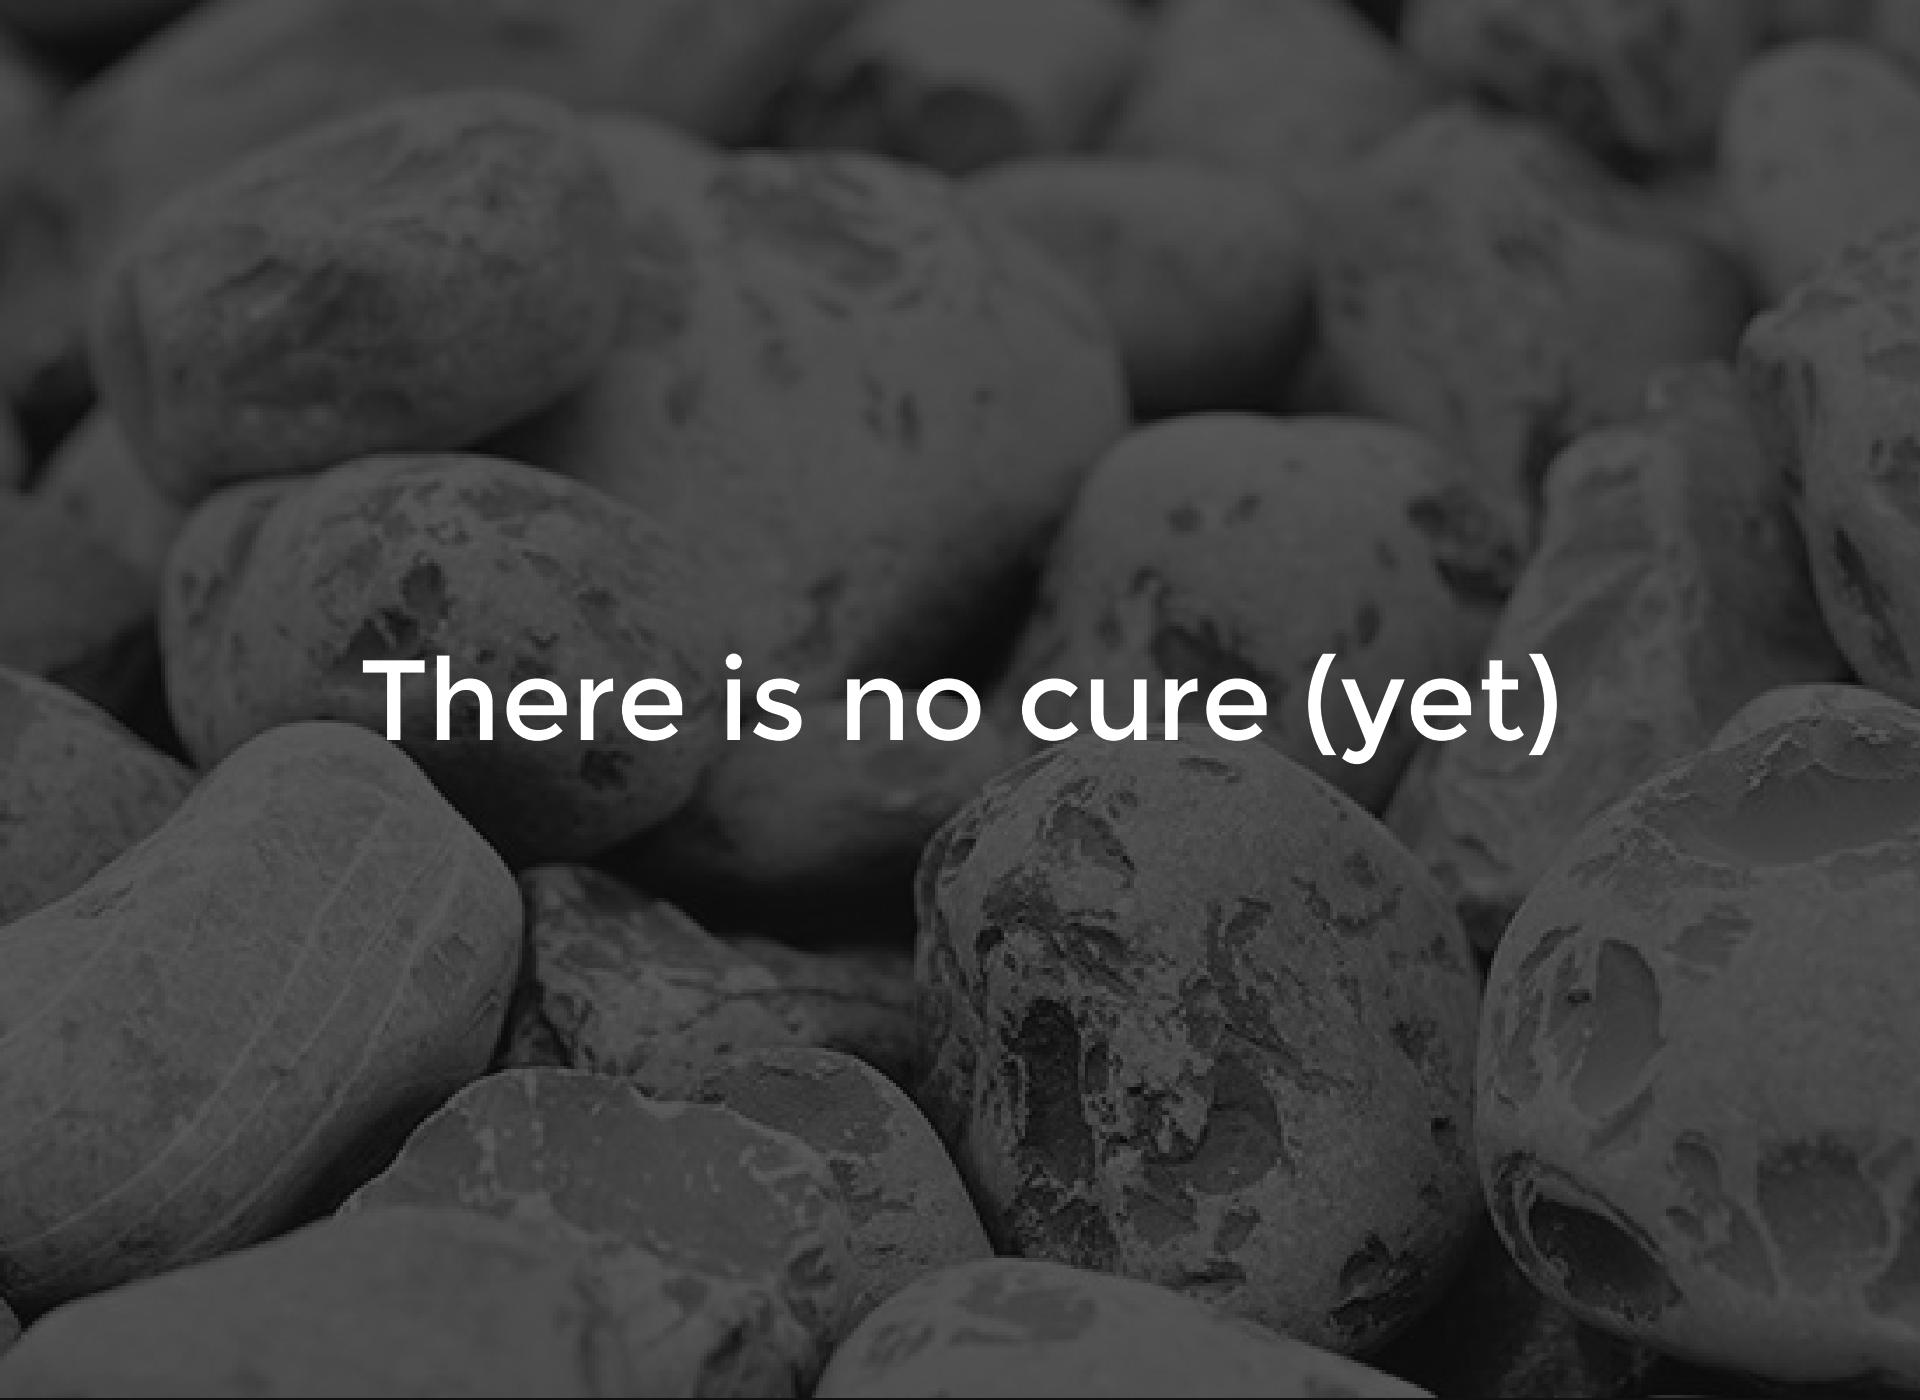

16.1 Million Americans  
provide unpaid care

A photograph of an elderly couple, a man and a woman, smiling and looking down at a red photo album they are holding together. They are seated in a room with a floral arrangement visible in the background.

People can still live  
well with dementia

But how to care right?

The background of the image is a dark, monochromatic close-up of various dried leaves. The leaves are irregular in shape and size, with some showing distinct veins and others appearing more crumpled. They are scattered across the frame, creating a textured, organic pattern.

There is no cure (yet)

A close-up photograph of a young plant seedling with three bright green leaves and a thin stem, growing out of a dark, textured wooden surface. The background is a soft-focus, dark brown.

But what helps?

# Cognitive challenges

Sharing memories  
and experiences

# Staying active

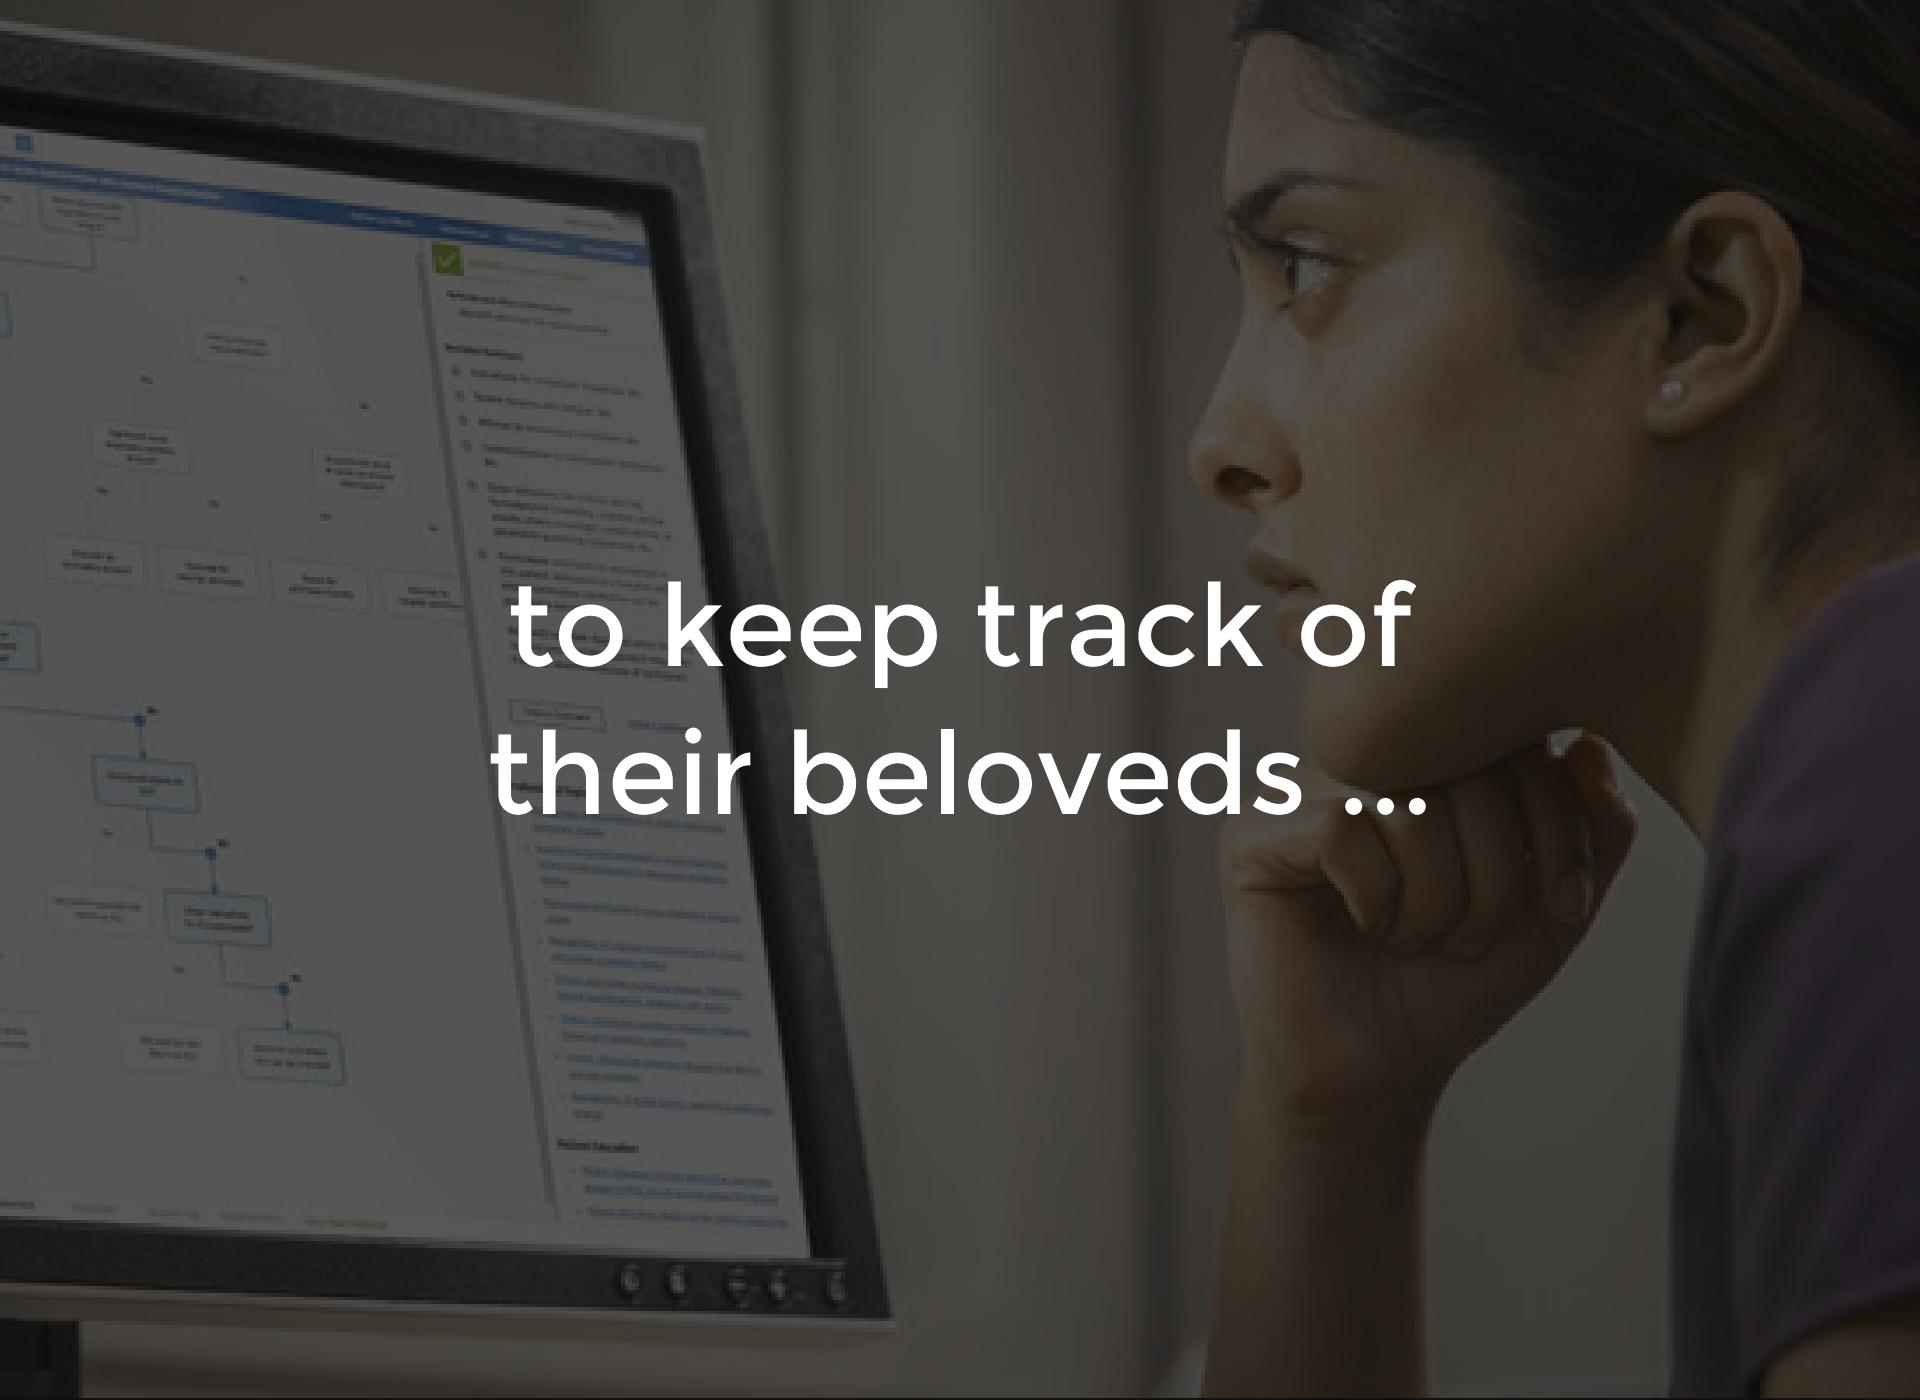

A vibrant illustration of a park scene. In the foreground, several people are sitting on a grassy area, some on a long red rug. In the middle ground, more people are walking or standing. The background features a variety of buildings, including a prominent tall skyscraper, a church with a dome, and smaller apartment complexes, all set against a clear blue sky.
